FOR IMMEDIATE RELEASE

MOTORISTS CAN EXPECT DELAYS ON I-15 IN THE CAJON PASS

RAPID REHAB WEEKEND WORK BEGINS

WHO: **Rose Melgoza**, California Dept. of Transportation (Caltrans)
Chief of Public Affairs
Norman Suydam, California Dept. of Transportation (Caltrans)
Project Manager
Officer Chuck Murray, California Highway Patrol (CHP)

WHAT: Press conference with informational project maps and brochures.

WHEN: **Thursday, October 5, 2006**
1:00 p.m.

WHERE: On northbound Interstate 15 (I-15) in the Cajon Pass at the
Kenwood Avenue off-ramp
(Between the ramp and the mainline (I-15) in the contractor yard.)
⚠️⚠️ Park in the dirt area between the off-ramp and the freeway.
Please wear sturdy shoes. Hard hats and vests will be provided
for your safety. Media will be escorted into the work zone.

WHY: I-15 paving project in the Cajon Pass (Devore) will close lanes and
connectors at 15/215 interchange over the next five (5) weekends
throughout October and November. ***Substantial delays are expected
for southern California motorists traveling to and from the High
Desert, Nevada, or Arizona.*** Caltrans hopes to achieve a 30-40%
diversion for traffic to be manageable. Find out how to avoid the
construction!

?? Please call Caltrans toll free at (866) 383-4631 if you plan to attend.
